COLLEGE CREDIT PLUS
INTENT TO PARTICIPATE FORM

STUDENT NAME _____

PARENT NAME _____ DATE_____

The College Credit Plus (CCP) program is outlined on the attached pages. I, the parent/guardian, will make the necessary contacts with colleges and inform my child's counselor of the choice(s) made.

Student and Parental responsibilities:

1. The college admissions process is the responsibility of the student and his/her parent or guardian.

2. Failing the course or failure to complete the course, whether through formal "class drop" process or nonattendance, will result in any or all financial obligation for that course defaulting to the student and his/her parent. Students withdrawing from college classes will be subject to the rescheduling of a normal class load of 5 credits, and a "WD or "WF" will also be noted on the WEA High School transcript for dropped courses.

3. When a student has completed coursework, books purchased by the district must be returned to the district within one week after the college grading period ends.

4. Transportation to and from the college is the responsibility of the student/parent.

We understand the College Credit Plus program eligibility, our responsibilities regarding participation in this program, the process for granting credit, financial arrangements (tuition, books, materials, and fees), criteria for transportation, available support services, scheduling, consequences of failing, student's academic and social responsibilities, graduation requirements and use of college counseling services.

I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the coming school year and I may decide not to participate without consequence.
